Creating
Beautiful
Smiles

Produced for the Patients of Drs. Shameek Popat & Nejal Joshi

Autumn 2009

fromthedentists

Wow! Where did the summer go? I am sure that was the quickest summer ever! My twin girls started their first day in year 1 at school and my little boy started school nursery. It was definitely one of those bitter sweet moments when we dropped them off!!

Rosebank was very busy during the summer months. Dr Nejal Joshi has settled in very well and getting lots of compliments on her gentle manner and great dental skills.

Thank you all for your patience while work was carried out upstairs. We now have a brand new fully functioning surgery upstairs and a patient lounge. A big thank you for all your lovely compliments about upstairs and thank you to all the patients for inviting me to come and design your lounges but I think I will stick to dentistry!! I do have to share credit with my wife in the design, who was a great help...

It was a pleasure hearing one of the patient's comments that this was better than the club class on Virgin while he settled into the soft comfy dental chair, put on the wireless headphones and watch Wimbledon being played on the overhead LCD screen whilst having dental treatment!

Dr. S. Popat

Dr. N. Joshi

We will be having an Open Day on Saturday 31 October, 2009. Where you can come and see all the new refurbishments and also talk to all our dentists and specialists in informal surroundings. Please call or e-mail to reserve a ticket and celebrate with us.

All at Rosebank Dental

New Surgery Launch

We are pleased to announce that the refurbishment upstairs is completed and we now have a fully functioning much needed third surgery. We wish to thank all of you for putting up with the noise of works being undertaken, but we are very proud and thrilled with the final result. For those who have given generous compliments we appreciate your feedback and hope you can enjoy the new surgery as much as we enjoy using it. The red ribbon was officially cut by *Paul Carrack*, musician and patient at *Rosebank* and the first patient to be treated in the new surgery. The purpose of the new surgery is to increase the number of much needed hygienist and dental sessions available to patients and

We are committed to preventive dental care!

Insurance Simplified

A lot of our parents have been asking us if we have a dental scheme for Children, since the Primary Care Trust denied us a children only NHS contract. For young children and teenagers, regular visits with good preventative care can pave the way to keeping healthy teeth and gums for life. We have looked at ways to ensure that young patients can continue to receive the best possible care and decided to introduce Denplan Plans for Children into the practice.

For Children

There are 2 options available on Denplan Plans for Children:

Option 1 - £6.95 per month

- ❖ All examinations and X-rays covered
- ❖ Hygienist visits covered if necessary
- ❖ Fissure sealants
- ❖ Preventative care and advice
- ❖ 10% discount from our private children fee scale

Option 2 - £9.95 per month

- ❖ All examinations and X-rays covered
- ❖ Hygienist visits covered if necessary
- ❖ Fissure sealants
- ❖ Preventative care and advice
- ❖ Fillings, extractions and other restorative work
- ❖ Mouthguards (only lab fees payable)

Both options include Denplan Supplementary Insurance Cover, supported by a 24 hour worldwide dental accident and emergency helpline. Plans for children are available for children from 4 years of age up to 18 years of age. We will continue to see children under 4 years of age free of charge.

This is only another option if you desire, you can still continue to see your dentist on a fee per item service that you do at the moment.

All children's Orthodontic treatment (braces) is still under the NHS system.

Any patient hospital referrals are still covered on the NHS.

For Adults

We are also introducing Denplan Essentials for our adult patients if they would like to join the scheme. Denplan Essentials gives you an easy and affordable way to budget for your routine dental care. Supplementary Insurance to cover and help if you have a dental injury or emergency.

The cost is £12.95 per month and includes:

- ❖ Dental examinations twice a year
- ❖ Scaling, polishing and other hygiene treatment, twice a year
- ❖ X rays
- ❖ 10% reductions on all restorative work
- ❖ Preventative dental advice

As part of Denplan Essentials you will receive worldwide emergency cover.

- ❖ Dental injury cover (up to £10,000 per incident)
- ❖ Temporary emergency dental treatment when in the UK (up to £400 per incident). Total limit payable £800 per calendar year
- ❖ Temporary emergency dental treatment when overseas (up to £412 per incident). Total limit payable £824 per calendar year
- ❖ 24 hour worldwide emergency helpline

This Denplan option is an extra option, if you desire. All Rosebank patients can still carry on seeing your dentist as you have been. We will be happy to discuss all the options with you in full detail at your next routine appointment, but if you have any immediate queries please contact Andrea or Agi on 01923 282 691.
